

MOYER AVIATION FLIGHT SCHOOL is an advanced flight training program for the aspiring pilot. MOYER is one of few flight schools in the northeast corridor to offer a structured 141 training program.

ABOUT OUR PROGRAM

- Train using the most up to date Cessna computerized training program and start flying from DAY ONE with an FAA Certified flight instructor.
- Start with a Discovery Flight Lesson that includes a half hour ground school.
- Private pilot certificate (minimum of 35 hours of flight time)
- Advanced Pilot Certificate (minimum of 35 hours of flight time plus 30 hours of ground school using Cessna Computerized System)
